Board of Directors Opportunity

Innovative learning leads to lifelong inspiration

Would you like to be a part of an organization that is changing the landscape of education? Do you envision a society where learning is a lifelong path of self-development and worldly engagement? Where curiosity, self-inquiry, personal responsibility and growing into one's fullest potential are core aspects of the educational model? Are you a creative and innovative thinker who wants to help support the development of these offerings?

SelfDesign® Learning Foundation seeks applications for the Board of Directors. We are looking for candidates who are passionate about working with a leading organization in personalized education, in the development of innovative programs and initiatives that foster lifelong and self-authored learning.

Strength of diversity is one of our core organizational values, and we aspire to include the wisdom of myriad cultures and traditions in our leadership - reflecting the breadth and depth of our always-growing learning community. We welcome applications from anyone feeling aligned with our mission and feeling a call-to-action. Candidates with specific experience in one or more of the following areas are especially encouraged to apply:

- Government relations
- Private sector/corporate experience
- Education sector experience
- Technology sector experience
- Business development experience
- Board/Governance experience

Should this opportunity interest you, we encourage you to email your CV and a letter of interest to opportunities@selfdesign.org. In your letter, please tell us about what inspires you to want to be a part of our team, and share your thoughts about what you think the future landscape of education will look like. Please see [here](#) for more information.

Application deadline is January 31, 2023.

Who we are

We support learners of all ages and abilities in authoring their own lives and designing their own learning. Since 1983, we have grown to become a global leader in the development of programs and e-learning initiatives that foster personalized and lifelong learning for thousands of learners each year.

Our model and philosophy set us apart, drive every initiative and fuel our passion as leaders in education. We believe that learning is unlimited, ageless and continuous.

Board Responsibilities

General Board meetings are held remotely via video conferencing every month and typically last two to three hours.

The Board has one in-person meeting per year, which consists of a two to three day retreat and strategic planning session and corresponds with the Annual General Meeting.

Directors are required to participate on one or more Board committees. Committees typically meet when required and can require an additional two to three hours of each Directors' time per month.
